

## Ell-Saline Basketball Needs Your Help!

We are raising money to purchase two (2) of the Shoot-A-Way 6000 or 8000 Guns (www.shootaway.com). These machines are America's #1 tool for basketball shooting improvement. They offer the following:

- 1 Player Off-Season Shooting
- 2 Player Repetition Shooting
- Multi Player in Season Shooting
- Team in Practice Shooting Station

**Kids will be able to get 300 shots in 10 minutes. In 50 minutes a week, they will shoot 1,500 shots. In 10 weeks, they will shoot 15,000 shots. In 50 weeks, that is 75,000 baskets. Muscle Memory!!**

- 95% of all NBA teams have one.
- All of the 2014 March Madness teams have at least one. Most more than one.
- KU has FIVE!! KSU has FOUR!!
- Area schools have them, including: Solomon, Tescott, Beloit, Ellinwood, Sacred Heart, Southeast of Saline, Smoky Valley, Marion, Canton-Galva, Bennington, etc.

Let's do this, not only for our current athletes, but also for all of our future Cardinal athletes. They need these tools to develop into the best basketball players they can be. Ell-Saline needs to stay in competition with our rivals, and this is the best way we can do that.
