CD

Line and staff administrators are those employees responsible for discharging various functions at the building level, (See CC Organizational Charts), and who are concerned with the management of auxiliary activities and who serve as an advisory or consulting capacity to the superintendent.

Both line and staff administrators are ultimately responsible to the board for the conduct of their official duties. Line administrators have direct supervisory responsibilities over subordinate staff members. Staff administrators shall act as advisors and resource persons to all line administrators but may, at the discretion of the superintendent or board, exert direct administrative control over line administrators.
