

ICA Pilot Projects

ICA

The board encourages the use of pilot projects before any new instructional technique is implemented on a district-wide basis.

For the purpose of this policy, pilot project means any research or experimentation program or project designed to explore or develop new, unproven teaching methods or techniques. All instructional materials, including teachers' manuals, films, tapes or any other supplementary instructional material which will be used in connection with a pilot project shall be available for inspection by parents or guardians of the students engaged in the program or project.

Student Surveys

Any instrument designed to survey students, either by district staff or by an outside agency or individual, shall be made available for inspection by parents or guardians before the survey is administered. (See IDAE)

Pilot Project Evaluation

Before any pilot project proposal is submitted to the board for approval, an evaluation format shall be developed and included with the pilot project. (See IJ; JR et seq.)
