

Vandalism Protection

All school personnel shall report any vandalism to their immediate supervisor. School personnel are expected to lock or otherwise secure any files, records, safes or similar compartments at the close of each school day.

In the event of vandalism, the board may offer a reward according to law.

Restitution for Damages

The board shall seek restitution according to law for loss and damage sustained by the district.

The principal shall notify the superintendent of any loss of, or damage to, district property. The superintendent shall investigate the incident. The cost involved in repairing the damage and/or replacing equipment will be determined after consultation with appropriate personnel.

When a juvenile is involved, the superintendent shall contact the parents and explain their legal responsibility. The parents shall be notified in writing of the dollar amount of loss or damage. Routine procedures will be followed for any necessary follow-up to secure restitution from the responsible party.

Restitution payments shall be made by juveniles or their parents to the business office, and accounts shall be kept. Persons of legal age shall be held responsible for their own payments. If necessary, provisions may be made for installment payments.

Accounts not paid in full within the specified time may be processed for legal action.

Return of School Property

School property must be returned by students. If a student does not return district property, the district may refuse to forward student records according to law.
