

EII-Saline USD 307 Meal Policy

Students of EII-Saline USD 307 schools are required to pay for meal fees in advance. Payment will be accepted in each attendance center. Each student will have a meal account where advance payments will be posted.

When a student's meal account balance falls below a balance sufficient to pay for five meals, the student will be notified on a daily basis. Reminder notices for those student meal accounts will be printed, emailed or a texted weekly from EII-Saline Elementary School and EII-Saline Middle/Senior High School.

If a student's meal account balance becomes negative, the student will only be allowed to charge a maximum of five meals. Because the student meal cost is different per grade, the allowable charge amount will vary.

A student will not be allowed to charge the purchase of an extra milk while the account has a negative balance. The parent and/or guardian must provide a sack lunch from home until there is a positive balance in the student meal account.

If a student does not have a sack lunch and still has a negative balance, the student will be provided the main meal option but is not allowed to have seconds.

Refunds for food service monies collected for student meal accounts shall be made at the time of student transfer, withdrawal, or at the close of the school year for seniors.
