

Ell-Saline Elementary

Color Our World

Cardinal Challenge....

The Color Our World theme for this year is focused on coloring the world with respect, self-control, responsibility, positive attitudes & integrity. All of these traits will help students today & into their futures. This month set a family goal that focuses on practicing & building self-control.

Goals could be...

- a daily time limit for all devices or video games for all family members
- a set amount of time for everyone to read
- a ban on a silly word from all conversation for an evening
- no sweet treats for a set amount of time

Developing self-control is not easy. It takes practice & more practice.

CPTA Literacy Fund

The literacy fund is working with classroom teachers to provide students in PreK-2nd one book a month for the entire school year. Grants and donations are being accepted to sponsor the

young readers. A donation of \$20 will sponsor a student for the year. Many donations have been collected. The August books have arrived. Books have been given to students. The books will go home with students to build home libraries. Please spend time reading aloud to students at home with these new books. If you are interested in sponsoring a reading, please send a \$20 check to CPTA.

ESE BOOK FAIR
& ICE CREAM SOCIAL
Tuesday, September 10
5:00—6:30 PM

Volunteers are still needed to help with this event. Please contact Mrs. Fouard or Mrs. Dennison. The proceeds benefit the Accelerated Reading program.

Roundtable Discussion

School Dismissal

Important Information

Transportation Changes:

- Students are dismissed from classes at 3:40 pm. Please notify the school office of changes in transportation by 3:30 pm.

Bus Procedures:

- Students riding the bus will be dismissed to the NW parking lot where the buses park.
- If you need a student from the bus, please report to the school office to make the request. The bus will be called. Students will re-enter the building and meet you at the front entry.
- Multiple bus routes have seen an increase in the number of students assigned to the route. In the past, we have been able to transport additional friends home with a student for special events or allow students to travel to the MSHS on game days. Space on the routes may not allow for this accommodation. Please contact the district office transportation office to receive permission in advance of these changes.

Pick-Up Procedures:

- Students being picked up will be dismissed at the front entry of the school.
- Please plan to pick up at 3:40 pm. Staffing does not allow for extended supervision of students.
- In the interest of student safety, individuals picking students up should pull into a designated parking stall in the parking lot. An adult should walk to the covered entrance area to pick up students and walk with the student back to their vehicle.
- Individuals with a handicap parking permit may park in the designated area by the building.
- Please communicate these procedures to grandparents, extended family members or friends that will pick up students after school.

Reminder:

The north side of Stimmel Road is a NO Parking Zone.
