- Mrs. Sprinkle reported that Kindergarten round up was this week and went well. They had 40 children attend and we are only able to accept 36. She explained that if these numbers hold she will have to contact some out of district families that applied and let them know the class is full.
- Kindergarten recognition is May 18th. Parents and other relatives are welcome to attend the ceremony. Due to construction this year and play day being held mostly inside the building, they are asking that extended family members and siblings not come to play day this year. This is a one time request, just due to construction this year.
