

# Dual Sports Policy

## USD 307 Ell-Saline Middle/High School

Students at Ell-Saline may participate in dual sports under the following guidelines:

- Knowing there will be conflicts scheduled between sports, dual sport athletes must declare before the season begins which sport is their priority sport. When there is a conflict between sports, athletes must compete with their declared priority sport.
- Dual sport athletes may not quit a single sport once a season has started, if dual sport athletes decide to quit they must quit both sports.
  - Dual sport committee has discretion to rule on this for extenuating circumstances. Dual sports athletes must present to the committee the extenuating circumstances involved in the situation.
- Dual sport athletes are responsible for meeting the individual coach's criteria for practice.
- Dual sport coaches will give athletes opportunities to meet their practice criteria.
- Coaches will work together to provide athletes ample opportunities to meet coaches participation criteria.
- Coaches have the discretion to work together to benefit the student athlete and sports team.
- Dual sports athletes are held to the same eligibility and attendance standards as single sport athletes.
- Dual sports athletes must attend a separate dual sport fall, winter, spring parent meeting.
