How do you plan on paying for your post secondary school?

Please list any special circumstances such as financial need or number of siblings attending college or will be attending college in the next several years.

Please attach one page summarizing your leadership, listing any awards and honors you have received, your extra curricular activities including school, church and community.

Please attach one page summarizing your future goals after completing your post secondary education.

Please attach two letters of recommendation, one from a school employee (such as a teacher or coach) and one from a non-school employee (church, work, etc)

Scholarship application is due back to Mr. Fouard by Feb 16th, 2023.

If you receive this scholarship, you will need to present your first semester grades to Mr. Fouard and verification that you are enrolled for second semester at your school. We require that you maintain a 2.50 grade point average to receive this scholarship.

Apprenticeships/Employment would require proof of employment after 6 months. Talk with Mr. Fouard and he will set your requirement.
