Summer 2022 Student Volunteer Information

Due to COVID RESTRICTIONS and reduced staff needs, only a small number of students will be selected this year. Duties are NOT clinical in nature, but still give the student a good introduction to the world of health care.

In the simplest terms, the steps to become an SRHC Student Volunteer are:

1. Apply 2. Interview 3. Attend Orientation if selected to serve 4. Serve

BASIC REQUIREMENTS

- At time of application, student must be a current high school or college student with a minimum 2.5 GPA.
- *Must be fully vaccinated for COVID and provide us with a record of that. Masks must be worn.*
- A minimum of 35 hours of service to give during the summer
- **Willingness to serve in the unit to which we assign you.** We can't promise any particular assignment as we have a limited number of service spots to offer.
- Attendance at an Orientation Session (see below) to cover the basics of serving at SRHC
- Return of all required forms

APPLICATION AND INTERVIEW

- Complete and submit the application form available at www.srhc.com under About and Volunteers.
- Secure two written references using the form found online and following guidelines given online.
- Schedule your interview. Upon receiving your online application, we will contact you to set up your interview. Be sure to check your email!
- Attend interview as scheduled. Prepare by using guidelines on our website.

ORIENTATION AND SERVICE

If you are a successful applicant, we will email you:

- An immunization form to complete
- Parental/guardian forms to be co-signed (HIPAA, Release Form)
- An Orientation Agenda

You must then attend **orientation** on **Monday, May 23 9:30am-Noon** OR **Wednesday, June 1, 1pm-3:30** at which you will:

- Receive basic educational information about the hospital and its functions
- Return your immunization forms and co-signed parental forms.
- Pay for your student volunteer shirt (\$15)
- Receive TB Skin test (no cost) to be read by SRHC Employee Health nurse within 48-72 hours
- Learn your summer assignment and your sponsor contact information

Upon completion of all of the above, you will begin unit/department scheduling and training.

You will work with your assigned sponsor to determine when you will serve. Different service areas have different needs.
