

Coronavirus Relief Fund Agreement

This Agreement made and entered this 30th day of July 2020, by and between USD 307 and the Board of County Commissioners of Saline County, Kansas, hereinafter referred to as “Saline County”.

WHEREAS, securing the health, safety, and economic well-being of our residents is Saline County’s top priority;

WHEREAS, Saline County is facing both a public health and economic crisis – the pandemic and public health emergency of COVID-19 – which has resulted in illness, quarantines, school closures, and temporary closure of businesses resulting in lost wages and financial hardship to Kansas citizens;

WHEREAS, the World Health Organization declared a pandemic on March 11, 2020;

WHEREAS, on March 13, 2020, the President of the United States pursuant to Sections 201 and 301 of the National Emergencies Act, 50 U.S.C. § 1601, *et seq.* and consistent with Section 1135 of the Social Security Act, as amended (42 U.S.C. § 1320b-5), declared that the COVID-19 outbreak in the United States constitutes a national emergency beginning March 1, 2020;

WHEREAS, on June 16, 2020, the State Finance Council approved the Strengthening People and Revitalizing Kansas (SPARK) Taskforce’s proposal to distribute money to Saline County to help address the health and economic challenges inflicted by COVID-19 based on Saline County’s population and impact from COVID-19 with funds provided for reimbursement of COVID-19 related costs and as direct aid unless otherwise approved by the SPARK Taskforce;

WHEREAS, to ensure that all educational and municipal entities within counties receive Coronavirus Relief Funds to meet their respective health and economic challenges, the SPARK Taskforce Executive Committee passed a motion on June 2, 2020, to direct counties to allocate and share Coronavirus Relief Funds with public educational and municipal entities within their counties;

WHEREAS, Saline County adopted a Resolution to accept and distribute funds to school districts within Saline County;

WHEREAS, Saline County and USD 307 desire to enter into this Agreement for the purpose of setting forth the obligations of USD307 as it relates to the receipt of said funds,

NOW, THEREFORE, it is agreed that, pursuant to the authority vested in the governing Board of USD 307. USD 307 accepts any funds appropriated to USD 307 by the State of Kansas through the State’s Coronavirus Relief Fund and distributed by Saline County pursuant to the following terms designed to ensure the lawful use of funds and transparency, equity, and accountability:

1. Section 5001 of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act, as codified in 42 U.S.C. § 801, provides the eligible purposes for which Coronavirus Relief Fund (“CRF”) payments may be used. Under 42 U.S.C. § 801(d) funds may be used for:
 - a. necessary expenditures incurred due to the public health emergency with respect to Coronavirus Disease 2019 (COVID-19);
 - b. not accounted for in the budget most recently approved for the school district as of March 27, 2020; and
 - c. incurred during the period that begins on March 1, 2020 and ends on December 30, 2020.

2. The following are examples of public health expenditures allowed pursuant to paragraph 1.a. above and 42 U.S.C. § 801(d):
 - COVID-19 related expenses of public hospitals or clinics
 - COVID-19 testing and quarantine costs
 - Payroll of employees substantially dedicated to COVID-19 mitigation or response
 - Expenses for establishing and operating public telemedicine capabilities
 - Technological improvements to facilitate distance learning
 - Improving telework capabilities
 - Grants to small businesses to reimburse the costs of business interruption caused by required closures
 - Government payroll support program
 - Unemployment insurance costs related to COVID-19

3. The following are examples of public health expenditures NOT allowed pursuant to paragraph 1.a. above and 42 U.S.C. § 801(d):
 - Damages covered by insurance
 - Payroll or benefits for employees not substantially dedicated to mitigating or responding to COVID-19
 - Expenses that will be reimbursed under any federal program
 - Reimbursement to donors for donating items or services
 - Workforce bonuses other than hazard pay or overtime
 - Severance pay
 - Legal settlements

4. Additionally, as outlined in guidance issued by the Congressional Research Service on April 14, 2020, “Coronavirus Relief Fund payments may not be used to directly account for revenue shortfalls related to the COVID-19 outbreak. Such funds, however, may indirectly assist with revenue shortfalls in cases where expenses paid for by the Coronavirus Relief Fund would otherwise widen the gap between government outlays and receipts.”

5. To ensure effective and timely oversight of local spending, USD 307 will comply with reporting requirements established by Saline County.

6. To ensure transparency and accountability in the deliberation, expenditure, and oversight processes associated with CRF funds, USD 307 will comply with all requirements of the Kansas Open Meetings Act.
7. The COVID-19 pandemic has disproportionately impacted racial minorities within the State of Kansas, illustrating long-standing health disparities for African-American, Latino, and other racial minority populations in the United States. Accordingly, USD 307 will consider and incorporate efforts to address such disproportionate impacts on racial minorities in any request submitted for inclusion in Saline County's direct aid plan.
8. As provided in 42 U.S.C. § 801(f), the Inspector General of the Department of the Treasury determines whether CRF payments have been used for eligible purposes. Fund payments that are deemed to have been used for ineligible purposes are treated as a debt owed by the implementing government to Treasury. This Agreement signifies that, upon approval, USD 307 agrees to cooperate with any audits or inquiries by the Department of the Treasury concerning CRF funds and agrees to pay any debt incurred to the Department of the Treasury due to ineligible expenditures of appropriated CRF funds.
9. USD 307 understands that the United States Department of the Treasury or the Governor's Office of Recovery may issue guidance regarding the transfer, expenditure, reimbursement, or other use of CRF funds.
10. USD 307 understands and agrees that any unspent funds must be returned to the State for recoupment. USD 307 understands that Saline County must return all unspent funds no later than December 30, 2020, and will make any unspent funds available for return prior to December 30, 2020. All reconciliation documents submitted to the SPARK Taskforce will be made publicly available by the Governor's Office of Recovery, including supporting documentation submitted by USD 307 to Saline County.

This document shall be filed with the Board Clerk.
